Delicate aromas of citrus and flavours of wheat. Proteins and yeast remain suspended in the beer and manifest themselves in the beer's cloudy appearance.

BLONDE
IBU 24 ALC 5.2%

Malty and dry, the blonde exhibits an alluring fruitiness. The use of traditional hops contributes to a subtle, pleasant bitterness.

AMBER
IBU 26 ALC 6.2%

A blend of special malts bestows the amber with a balance of roasted and caramel flavours. All of this supported by a long and palpable bitterness.
